

Client Testimonials

"M.S. Concierge is an incredible service. They provided me with a one of a kind gift basket as a closing gift for one of my real estate clients. My client was blown away, as was my entire office, with the creativity, look, and content of the basket. I highly recommend them and will definitely be using them from here on out."

- Mindy Hyatt Spradlin, REALTOR SilverPointe Properties

"Stacey and her team helped me put together a fabulous cocktail event on Music Row for senior marketing corporate executives of Nissan North America. Her attention to detail and her willingness to go the extra mile made all the difference."

- David Bennett, Executive Director of the Tennessee Film, Music and Entertainment Commission

"We had a simple need - get new window coverings for our Nashville office. But no one on our team had the time to deal with vendors who could address our need. So we called Stacey and Melissa and within 48 hours they had quotes in front of us, a window shade specialist identified, and the project underway. Working with MS Concierge was the best call we could have made."

- Mike McCloud, CEO, MMA Creative

My experience with Ms Concierge was wonderful! Their representative went above and beyond when working for me. When faced with an obstacle, she pursued avenues that even I wouldn't have thought of for myself. I plan to use them again, and I would definitely recommend them!

I am traveling a lot lately and when I had to be away from home during a special day for my wife and girls I was relieved when my assistant told me about this service. Ms. Concierge took care of everything and made it a great day for my family. I'm sure I will use this service again. Many thanks.

Home & Business Services has been cleaning my home for nearly five years. While I have had different teams of people cleaning my home over that period, I know that I can count on consistent service from a trustworthy group of people. They are there when they are supposed to be there and we work together if there are special scheduling needs. On the few occasions that issues have arisen, they are addressed immediately - the customer service provided by Stacey is always a positive experience. I work full time and travel on a regular basis - I don't want to have to worry about whether my home will be clean when I come home. With Home and Business Services, I know it will be clean.
